## জাতীয় সঙ্গীত

আমার সোনার বাংলা, আমি তোমায় ভালবাসি চিরদিন তোমার আকাশ, তোমার বাতাস,

আমার প্রাণে বাজায় বাঁশি।

ওমা, ফাগুণে তোর আমের বনে ঘাণে পাগল করে

মরি হায়, হায় রে-

ওমা, অঘাণে তোর ভরা ক্ষেতে আমি কি দেখেছি মধুর হাসি ।

কী শোভা কী ছায়াগো, কী স্লেহ কী মায়াগো -

কী আঁচল বিছায়েছ বটের মূলে, নদীর কূলে কূলে ।

মা, তোর মুখের বাণী আমার কানে লাগে সূধার মত

মরি হায়, হায় রে-

মা, তোর বদনখানি মলিন হলে ওমা আমি নয়ন জলে ভাসি ।

Life is not a bed of roses. This proverb proves again at the time of Covid-19 situation. During this pandemic period more than 2 million people were no more on earth. We have to meet virtual platforms instead of physical meetings. We're still facing a big challenge to overcome it.

In Rotary, new leaders take their office from predecessors on July 1. This change over is formally done at the Installation Ceremony with joy and enthusiasm. We started our new mission under the leadership of Charter President Rtn Ashrafuddin Nazu PHF and Charter Secretary Rtn Md Forhad Ali Khan RFSM. Over a period of time this year President Rtn Kazi Alo PHF has taken club responsibilities from IPP Rtn Syeda Habiba AKS. Heartiest congratulations to the outgoing leaders for their service during this catastrophe. My best wishes to the new leaders. As Corona Scenario is slightly improving in our country, we are arranging our 10th Installation Ceremony formally at the new place on 23 June 2021.

Souvenir publication is an important part of the Installation Ceremony. My heartiest thanks to President Rtn Kazi Alo PHF and Secretary Rtn K M Ruaim Rabbie for their whole hearted cooperation. We, the Publication Committee, have tried our level best to make this souvenir informative and qualitative. But "To err is human". Despite our utmost endeavor, it may have mistaken. In this case we very sincerely apologize for any kind of inadvertent omissions and lapses.

Let's inspire each other by applying the Rotary International Theme in our hearts - "Rotary Connects The World" for making "Rotary Opens Opportunity".

## The Four Founding Fathers of Rotary

Paul P. Harris (19 April 1868-27 January 1947) - the founder of Rotary, was born in Ricine, Wisconsin, USA was the second of six children of George N. Harris and Comelia Bryan Harris. A man with varied knowledge and experience, he received Bachelor of Physical Culture and honorary LL D degree from the University of Vermont and LL B from the University of lowa, USA. He was a Chicago attorney in 1905 when he had an idea for a club in which professionals and businessman could share "mutual cooperation and informal friendship such as all had once known in our village." On the evening of Thursday, 23 February 1905, Paul Harris gathered three business acquaintance form a group that became the Rotary Club of Chicago, Initiating the world's first service organization, though Paul Harris was the visionary of such a club, he voluntarily did not become its head but later on the people under the banner of the organization made him the first President what later named as Rotary International, the association of Rotary clubs around the world with more then 1.2 million members united under the motto" Service Above Self."

In July 1910, he married Jean Tomson Harris, a Scottish girl an a co-member in Chacago Prairee Club.

Silvester Schiele (1868-1945) was a coal dealer and a client of Paul Harris in 1905. Born in rural Indiana, Schiele liked to Paul Harris interesting anecdotes of his "young pioneer" boyhood. During the course of their business dealings, Harris first shared the idea with Schiele for a new kind of club for professionals. On 23 February 1905, Harris invited Schiele for dinner to develop his ideas of fellowship and booster a club. In addition to becoming first President of Rotary Club of Chicago, Schiele developed a close lifelong friendship with Harris.

Gustavus H. "Gus" Loehr (1864-1918) was Chicago mining engineer who lent his office on the seventh floor of the Unity Building at 127 Dearborn Street in Chicago for the first gathering of the founder of Rotary on 23 February 1905. Loehr invited Hiram Shorey to this meeting. His health later deteriorated and he left the club, but remained a supporter of Rotary until death at age of 53.

Hiram E. Shorey (1862-1944) was a merchant tailor in 1905. One of the founding four members of the Rotary Club of Chicago. He remained a Rotarian for only a short time before moving back to his home state of Maine. Upon his later return to Chicago, he rejoined for a brift time before resigning again. Despite his brift membership, Shorey was always supportive of Rotary Club of Chicago and voiced pride at his early association with Rotary.

## **History of The Rotary Foundation**

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed as The Rotary Foundation, and it became a distinct entity within Rotary International.

#### Growth of the Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

#### **Evolution of Foundation programs**

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against Polio.

1985: The PolioPlus program was launched to eradicate Polio worldwide.

1987-88: The first peace forums were held, leading to Rotary Peace Fellowships.

2013: New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

"The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds...we are engraving on those tablets something that will brighten all eternity."

## RI President 2020-21

Kazi Shamsun Naher Alo 178 N.S. Rd. Kushtia 7000 BANGLADESH

Dear Rotary Club of Kushtia Officer,

I congratulate you on your installation as a club officer for 2020-21. Rotary Opens

I hope the upcoming year will be challenging, yet fulfilling. Your leadership team will collaborate to build a strong, engaged club dedicated to strengthening your community, both locally and globally. You will use your years of experience as a Rotarian and as a leader to provide inspiration, motivation, and guidance as we work together to achieve our goals for Rotary.

Use this opportunity to grow your membership, to work closely with Rotaractors, and to continue to improve our virtual meeting skills. Now is the time for change in Rotary to meet the world's challenges.

In Rotary, we are not afraid to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.

It is honor to work beside you as we guide our fellow Rotarians to another successful year. I am relying on you as Rotary Opens Opportunities in 2020-21.

Sincerely,

Holger Knaack

Holy Urrauch

President, Rotary International 2020-21

# **Chief Guest**

Dear President Kazi Shamsun Nahar Alo,

I'm much pleased to congratulate you and your new board for taking office for RY 2020-21. It must be an excellent opportunity for you to lead a vibrant club like Kushtia and I believe, with your personal endeavor and the accumulated experience of the club, you will be able to steer the club to a much better direction this year. I also highly appreciate IPP Sayeda Habiba and his board for presenting a great year 2019-20 to your club.

The 10th Installation ceremony always a very special occasion for any club. The new Board feels exceptionally elated and it gives them a feeling of glory and achievement. It energizes them to carry forward the good work done by their predecessors with greater zeal and effort. I do appreciate your club because of your diversified and immensely potential membership and also of the great intents & practices in following the Rotary guidelines.

Dear President, RY 2020-21 is proved to be an enormously challenging year for us under the ongoing circumstances, which have undergone a sea of changes. The environment under which we are going through to operate is an untested one and having risen to the occasion, we've held the ePETS, eSETS & TETS, the DTA, the Grant Management Seminar and the Year Launching Ceremony online with the honorable presence of towering figures in the RI world and RID 3281.

You all know, soon after I began conducting the club visits and Installations online as well as physically, I had been infected by Covid-19 that left me isolated for over a month, though it couldn't refrain me from doing my job. Thank God that I have won the battle with all your prayers.

In fact, I do always wonder if RI President Holger Knaack had even visualized this scenario when he unveiled the theme - ROTARY OPENS OPPORTUNITIES; as to what it would turn out to be. Nothing could be more apt and appropriate under the circumstances prevailing worldwide.

As I do sincerely believe in the ability of the Rotarians, I have taken a stand to challenging all Challenges and to open opportunities for us to do good for the impoverished people who need that most, especially, when the Covid pandemic has seriously affected not only our health, but also our economy, education and our livelihood as a whole.

Let us all take the challenges and show what Rotary can do. I will expect to get necessary help and assistance from Rotary Club of Kushtia in every step of the arduous way.

Once again, I wish you all the best and a great success of the ceremony.

Md Rubayet Hossain District Governor

## IPDG and ARRFC, Zone 1B

Dear President Kazi Shamsun Naher Alo phf Rotary club of Kushtia, D-3281, Bangladesh,

Congratulations on your installation as the president for 2020-21. My warm felicitations to all your club members on this happy occasion of **10th Installation Ceremony** of the club-- the celebration of a new journey you began on 1st July.

My best gratitude to all the past leaders of the club paved the way to success. Sincerest thanks to Shining President IPP Rotarian Sayeda Habiba, AKS for all his endeavor and achievements last year and hope success will be continued and Rotary Club of Kushtia, a club with the legacy of more than 10 years of dedicated services and with a history of glorious journey, will be taken to a newer height under able leadership of President Kazi Shamsun Naher Alo.

I also express my deep appreciation to all the wonderful Rotarians of the district who have given me their wholehearted support and strength to ensure that we did have a good Rotary Year 2019-20. I truly believe without your cooperation, support and understanding it would not have been possible for me to have shouldered this heavy responsibility of being your District Governor for 2019-20.

The office of the District Governor demands many responsibilities, commitments and expectations, primarily, responsibilities to support The Rotary Foundation, Membership Growth & Retention and enhance the Public Image. With all humility and the support and cooperation from my team and all the Rotarians of the district, I must say that we have performed remarkably well in all these areas. In Rotary Foundation we witnessed that Rotarians contributed very generously which attained the district a prestigious status. I am indeed grateful to all of my fellow Rotary friends. It is rather encouraging that Rotarians in our District are supporting our own Rotary Foundation. In Membership Growth & Retention we have a net gain, which is a new record for the district. In the area of Public Image and creating mass awareness, I must commend that, both the District and the Clubs, for having received much positive coverage in the media such as TV, Radio and the Newspapers.

Rotary Connects the World is not the theme for a year only, I believe, it is a statement to connect and take action to open more opportunities and make Rotary stronger. The 2020-21 Presidential theme: Rotary Opens Opportunities. RI President Holger Knaack asks Rotarians to create opportunities that strengthen their leadership, help put service ideas into action and improve the lives of those in need. "Rotary isn't just a club for people to join but rather than an invitation to endless opportunities."

Keep doing everything good we are doing now. As more you connect, more opportunities you open. Keep continuing to stand shoulder to shoulder to uphold those very principles that make us Rotarians. In this situation of Covid-19 pandemic, definitely we would be placed in a new normal world, which I believe, will open more opportunities to expand our reach, increase our impact and increase our ability to do more for the community.

Hope the installation ceremony will be festive and enjoyable to you all and wish this happy occasion a grand success despite the pandemic COVID-19.

Enjoy Rotary on Rotary way of Fellowship and Service. Stay safe, stay blessed.

Sincerely yours,

M Khairul Alam, phf b md phs Immediate Past District Governor ARRFC, Zone 1B, Region 10 D-3281, Bangladesh

"Coming together is a beginning. Keeping together is progress. Working together is success." ~ Henry Ford

#### Together, we can move mountains

Rotary's mission is 'uniting people' – people from ordinary life, with a vision to accomplish extraordinary things making great impacts everywhere. Just remember, what the **inspiration** of the emergence of Rotary was! It was Fellowship. Now tell me, what the **element** that is holding it together! It is **Fellowship**.

Fellowship is the mantra that is keeping us all 'being together', that is our power enabling us to accomplish more than almost all other volunteer organizations — we rank along with the Red Cross in importance to the World, being the only other NGO to hold a seat at the United Nations; we are the founding partner of the GPEI for eradicating polio from the world and we are at the brink of doing so. This is not all, we have set out our new futuristic vision to create 'lasting changes' on the power of 'being together'.

Rotary International has launched a new public image campaign, **People of Action**, in the 2017 RI Convention in Atlanta. This campaign is for people who do not know about Rotary or why it's relevant to them, to show them how we can achieve better when more community leaders join Rotary; resulted into making appeal to potential members who want to make a difference in their communities, those interested in Rotary's causes, and people looking to establish relationships with others in their communities.

We know our stories. We are our brand. We are People of Action. RC Kushtia is a Club of People of Action. Maximizing their full potentials through Rotary may create enormous impacts in their societies and making Rotary's vision working for changing lives. I believe, they shall keep rendering their hands of cooperation with all within our district and outside for creating greater strength to move mountains and making a smiling world.

My heartfelt congratulations to the Shinning President Sayeda Umme Habiba and her board for passionately serving and being the inspiration in your club and community through the various projects carried out during their term. They have presented one more AKS member, the then president herself, and brought us pride once again to our country.

On top of that, I am amazed with the **new stewardship** of the **Current President**, Kazi Shas<mark>un N</mark>aher Alo and her board who are energetic, fueled with renewed strengths, passion and commitment to drive RC Kushtia to a greater height.

Let's create the 'Synergy' together by practicing 'The 4 Way Test' for a smiling world with lasting changes by opening opportunities with our works and words through Rotary.

Yours in Rotary,
Barrister Mutasim Billah FARUQUI MPHF
District Governor Elect

## **District Governor Nominee**

It is my privilege to congratulate the Rotary Club of Kushtia, on its 10th installation of the president and her board of directors for the Rotary year 2020 -2021.

The Rotary Club of Kushtia is one of our exemplary clubs in the district. This club has set a very high benchmark of serving the community through various activities. Their recent projects on COVID-19 is a true inspiration to the Rotary world. I value their accomplishments of the past years and believe the new leadership will keep this flag high.

As this club has launched into the new Rotary year under the stewardship of an enthusiastic Rotarian Kazi Shamsun Naher Alo PHF as President, the club will be fuelled with renewed strengths, passion, and commitment to drive this legendary club to a greater height to face this challenging time. I congratulate the newly installed club board.

I also take this opportunity to congratulate IPP Syeda Umme Habiba AKS and her Board for passionately serving and becoming the connectors in your club and community through the various projects carried out last year.

Rotary International President Holger Knaack's theme for 2020-21, Rotary Opens Opportunities, encouraging Rotarians to seize the many opportunities Rotary offers to enrich their lives and the communities they serve. We have started this Rotary Year at a time when there can be no more appropriate slogan.

This COVID-19 pandemic has created a prodigious opportunity to test our leadership and service strength. The people of the country are staying at home, thousands of people are sick, crores of people have lost their livelihood. It is the best time in Rotary's 115-year history to come forward to serve humanity. The Rotary Club of Kushtia will continue to serve humanity at this time as in the past, this is my sincere wish to the new leaders.

I believe, in this 'New Normal' lifestyle, the newly installed board will show exemplary leadership to create opportunities that strengthen their leadership, help put service ideas into action and improve the lives of those in need.

Thanks and Regards,

Rtn Engr M.A Wahab Phf, b, MD,PHS District Governor Nominee D3281, Rotary International
